Neomounts PLASMA-W2250BLACK Soporte de suelo para TV - 42-100" - pared - máx 130 kg - motorizado alt. 105-155 cm - VESA 200x200-800x600 - bloqueable (excl. cerradura) - negro

With the Neomounts PLASMA-W2250BLACK automatic height adjustable floor stand you place a large format flat screen on the floor and anchor it to the wall with the included wall mounts (7 cm distance). Get optimal positioning for both standing and seated audiences, in any application, in any part of your location. Perfect to use in a class room, boardroom, presentation room or public entrance.

The PLASMA-W2250BLACK is suited for screens between 42"-100" and has a load capacity of 130 kg. The mount is suitable for screens with a VESA hole pattern of 200x200 to 800x600 mm.

The mobile electric floor lift is automatically height adjustable over a height of 50 cm with a remote control. From the floor to the center the distance of the screen is variable from 105-155 cm. The position can be perfectly leveled with four adjustable feet under the central column.

Cables can be guided at the back of the mount. The Neomounts PLASMA-W2250BLACK column comes in a black color and all installation material is included with the product. Warranty: 5 year.
